<p>Eagle Bay is one of the most beautiful parts of a region famed for its mix of gorgeous beaches and vineyards. And in this stunning setting is the tantalising Abundance, a grand seaside home built using stone, timber and the local rammed-earth construction techniques. It recalls a grand American-style beach house, just like in the Hamptons near New York.</p> <p>This adults-only retreat is set in spectacular gardens and bathed in the sound of the ocean. It caters for just two couples at a time. Each</p>	<p>independent suite has a private entrance, spacious lounge and dining area, a king bedroom and a marvellous spa ensuite. The rooms are beautifully presented with the finest linens and furnishings together with thoughtful surprises including candles to create the perfect mood.</p> <p>As a special touch, breakfast can be prepared and served in your suite, offering a very indulgent start to a day of discovering the region. You might opt for a winery tour leaving from your door or perhaps explore the Cape-to-Cape walking trail. Spot kangaroos in the garden at dusk and admire the blanket of stars as you soak in the romantic spa. Abundance is ideal for a special occasion or a pampered break away.</p> <p><b>Location:</b> 260km or four hours south of Perth. Map 10, RA 80 C2, CR UBD 1 A4.  <b>Facilities:</b> Two suites: each with lounge (TV, DVD, CD), king ensuite bedroom (double spa, separate toilet). BBQ. Full breakfast served to the suite.</p>
